Entrepreneurship

Create your own project.
From idea to final showcase.

International collaboration &
intercultural teamwork

Showcase your project at a major
student innovation exhibition

3 – 6 ECTS + Certificate of
Completion (TH Köln)

ICI'27 is a **Blended Intensive Programme**
funded by ERASMUS+ and hosted within the
PIONEER Alliance.

It brings together international Bachelor
students who work in **interdisciplinary** teams
to develop concepts, formats, and prototypes
focused on **Digital Transformation &
Sustainability**.

The programme culminates in a hands-on
sprint in Cologne, where the final projects are
presented at major student innovation
exhibition
